

U9 Referee Payment Instructions

2022

Hello U9 Coaches,

You will receive a \$180 cheque from TRSA for the payment of the referees at games where you are the 'home team', this amount is enough for the first 6 home games. The fee you need to pay the referee this year is **\$30**, please pay the referee in cash prior to the start of the game where you are the 'home team'.

Our suggestion is to cash the cheque and ensure you have **\$30 cash** on hand for your home games. This can also be handled by an assistant coach or team manager.

If you notice you will run out of referee money for the final round(s) of the season, please contact me and I will arrange for an additional referee cheque to be mailed to you.

If a referee does not show up for your game please contact the TRSA Program Coordinator, e-mail address is below. The league anticipates a shortage of referees this season, we will do our best to assign one for each game. If there is no referee at your game we suggest a team official from each team referee one ½ of the game.

Questions and compliments about the performance of the referees is also appreciated, please feel free to e-mail me. TRSA has referee mentors that work with our referees.

Please remember many of our young referees are former or current TRSA players and our neighbours. For many this is their first paid job!

Thank-you,
Charlane Gorsak
