

U11 Referee Payment Instructions

2022

Hello U11 Coaches,

You will receive a cheque in the mail for \$210, this is for the payment of the referees at the games where you are the 'Home Team'. The amount is enough for your first 6 home games. The fee you need to pay the referee this year is **\$35**, please pay the referee prior to the start of the game.

Our suggestions is to cash the cheque and ensure you have **\$35 cash** on hand for your home games. This can also be handled by an assistant coach or the team manager.

If you notice you will run out of referee money for the final round(s) of the season, please contact me and I will arrange for an additional referee cheque to be mailed to you.

If a referee does not show up for your home game please e-mail at the address below.

Questions and compliments about the performance of the referees is also appreciated, please feel free to e-mail me and TRSA has referee mentors that work with our young referees.

Please remember many of our young referees are former or current TRSA players and our neighbours. For many this is their first paid job!

Thank-you,
Charlane Gorsak
